Nonprofits, public agencies, schools and business district associations are invited to apply. Applicants can request up to \$5,000 in funding per cleanup project or event.

Are you part of a nonprofit, public agency, school or business district association leading cleanup efforts in an underserved community within greater Portland?

If so, your organization might qualify for up to \$5,000 from Metro's Regional Refresh Fund, a new low-barrier sponsorship that funds community-led cleanup activities in the Metro region.
